1. Preamble

These rules called “Graduate Rules” shall apply to all MS/M.Phil and PhD degree programs conducted in the Constituent and Affiliated Units of University of Turbat (UoT). These rules precede/surpass all other previous graduate rules and subject to change through approval of relevant statutory bodies of the university. These Rules shall be read in conjunction with the general rules/regulations of the University. In matters where these rules are silent, rules/regulations and procedures of UoT shall apply. In case of any doubt regarding the interpretation of these Rules and in matters not clearly covered under these and other rules/regulations of UoT, the matter shall be referred to the relevant bodies for instance Academic Council or Syndicate for the final decision. Furthermore, MS/M.Phil and PhD requirements set out by the HEC from time to time shall be complied with and shall take precedence over these Rules should there be a conflict.

2. Definitions

In these regulations, unless the context requires, following expressions shall have the meanings hereby assigned to them, respectively.

2.1 “**University**” means the University of Turbat.

2.2 “**MS/M.Phil**” stands for Master of Science/Master of Philosophy.

2.3 “**Board**” means Advanced Studies and Research Board as constituted under section 5(1) of the First Statutes of the University of Turbat Act-2012.

2.4 “**Departmental Admission Committee**” means a Committee constituted by the Competent Authority for MS/M.Phil and PhD admission.

2.5 “**Candidate**” means a person seeking admission in MS/M.Phil program at UoT.

2.6 “**Supervisor**” means a supervisor appointed for a research scholar.

2.7 “**Co-Supervisor**” means a member of academic and/or research staff of the university/industry who may be appointed to provide academic/technical and/or administrative assistance whenever there is a requirement/need.

2.8 “**Research Scholar**” means a scholar enrolled in MS/M.Phil and PhD program.

2.9 “**Examiners**” means the Examiners as appointed as per these regulations.

2.10 “**Thesis**” means a thesis report encompassing original research performed by a scholar.

2.11 “**Related Subjects**” means subject(s) conducted by institution other than the one in which the scholar is enrolled.

2.12 “**Institution**” means a Department, Center, College, or an Institute of the University.

2.13 “**Center**” means a Center on the Campus Affiliated with the University.

2.14 “**Sectary**” means Registrar of the University.

2.15 “**A Credit Hour**” means teaching a theory course for 50-60 minutes each week throughout the semester.

2.16 “**Head**” means Chairman/Chairperson of Department or Director of Center or Institute, or Principal of the constituent college.

All other terms and expressions shall have the same meanings as assigned to them under the University of Turbat Act -2012 or explained in these Regulations.

3. Faculty Graduate Research Committee (FGRC)

15.4 However, If any student requests for cancellation of his/her admission within 15 days from the date of commencement of classes, he/she will be entitled for full refund of tuition, laboratory, examination, and library fees.

16. Appointment of Supervisor(s)

The appointment of principal supervisor and co-supervisor (If any) shall be processed through Faculty Graduate Research Committee and Dean Directorate of Academics for approval by

Advanced Studies & Research Board (AS&RB).

16.1 The Research Supervisor will be a faculty member having a MS/M.Phil /Ph.D. degree in the relevant field, publications to his / her credit. He/she shall be responsible for the guidance and supervision of research by the scholar during the period of his/her registration. In special circumstances (Sickness, Study Leave, Maternity Leave) there could be a Co-Supervisor who shall also have MS/M.Phil /Ph.D. degree in the relevant field.

16.2 In teaching Department/Centers/ Institutes a Research Supervisor will not have more than twelve (12) MS/M.Phil scholars at a time as per HEC guidelines.

16.3 A scholar must choose a Research Supervisor within two weeks after the completion of his/her course work or after commencement of third semester.

17. Alternative Supervision

17.1 In case the principal supervisor leaves the university, the student may be provided with alternate supervision. The Chairperson in consultation with the Dean shall place the matter in the faculty Graduate Research Committee. The graduate research committee shall recommend alternate supervision (principal supervisor/ co-supervisor) for the student.

17.2 The leaving principal supervisor, however, may act as co-supervisor till the completion of the degree of the concerned student.

18. Synopsis/Research Proposal Seminar Presentation

A student has to defend his/her research proposal/synopsis in a seminar at the respective department/faculty in the presence of Graduate Research Committee. Its recommendations shall be forwarded to AS&RB through Graduate Studies office for consideration. In addition to the proposal defense, a student has to present a progress seminar in the presence of graduate research committee.

18.1 The scholar will prepare a synopsis (or research proposal) for the research study containing the background; methodology and feasibility of study in term of availability of source materials with the assistance of the Research Supervisor within three to four weeks after the completion of course work.

18.2 The Synopsis must be submitted through Directorate of Academics to check

and scrutinize the research topic. The synopsis with recommendations of the Research Supervisor and Directorate of Academics shall submit for final approval to the AS&RB.

18.3 The student shall be given two chances to get the research proposal approved within maximum period of six months from the date of conducting first proposal defense. If fail to defend his/her thesis will be terminated from the program.

19. Research Rules

19.1 Scholars shall choose their Research Supervisor(s) not later than the first 2 weeks of the 3rd Semester.

19.2 Research Supervisor must be from the parent Department or from University of Turbat.

19.3 A plagiarism test will be conducted on the Dissertation using Turnitin before its submission to the two external experts. The Turnitin software may/is not able to detect plagiarism of the thesis of languages like Balochi, Urdu, and other disciplines, so thesis is certified by two experts which are nominated by FGRC.

20.1 A research scholar shall be eligible to submit his/her thesis after completing courses and research work within the approved minimum period 2 years and maximum period 4 years.

20.2 The scholar shall submit four copies of thesis to the Research Supervisor as per University thesis report guidelines.

20.3 On completion of the research study, the candidate shall submit thesis to the Directorate of Academics through the Supervisor, Chairperson/Director and Faculty Dean along with the evidence of completion of all pre-requisites that include:

- A certificate from the Controller of Examinations stating the completion of course work credits with CGPA.
- Copy of research paper with letter of acceptance (if required)
- Fee receipts of all paid dues.

20.4 The thesis shall include a signed certificate by the candidate that he/she has

prepared and written thesis himself/herself and that this thesis has not been submitted at any other University. The certificate will be counter signed by the Research Supervisor.

- 20.5 The thesis shall be evaluated by one Internal Examiner and one External Examiner having a PhD degree from HEC recognized University in the related area of research.
- 20.6 The Research Supervisor will propose a panel of at least three experts as External Examiners for thesis evaluation or viva voce examination and will forward the same to the Dean Academics in a sealed cover. The Vice Chancellor will nominate two examiners from the panel of examiners.
- 20.7 The Directorate of Academics after completing necessary formalities shall send four copies of the thesis to the Dean Academics who shall forward copies of the thesis to examiners for evaluation. After receiving the evaluation reports, the Dean Academics shall forward them to the research dean. The dean research shall provide a copy of the evaluation report to the concerned scholar and Research Supervisor for incorporating comments/suggestions/objections in the thesis.
- 20.8 The response to the remarks of the External Evaluators and copy of the modified thesis with the recommendations of the Research Supervisor and DAC shall be submitted to the Advanced Studies and Research Board through Research Dean for final decision.
- 20.9 On the recommendations of the Advanced Studies & Research Board; Controller of Examinations shall arrange an oral examination with consultancy of Chairperson/Director, Research Supervisor and Faculty Dean. The Oral examination shall be conducted by the Internal and External Examiner in the presence of Directorate of Academics. The Directorate of Academics, External Examiner and Supervisor will furnish a collective report on the thesis along with marks obtained for 06 credit hours in research and 200 marks annually. The report shall be sent to AS&RB and to the Controller of Examination.
- 20.10 In case, the External Examiner proposes revision of whole or a part of the thesis with the condition of re-submission of the revised thesis with the recommendation of degree, the revised thesis shall be re-submitted to the respective External Examiner following the same procedure defined for submission of thesis.
- 20.11 In case, the External Examiner proposes some revision without the condition of

re-submission of thesis and recommend the award of the degree and shall be followed to get approval of oral examination from the AS&RB.

20.12 In case, the External Examiner does not recommend award of the degree, the Advance Studies & Research Board shall decide to send thesis to second examiner, if second examiner does not recommend the award of the degree or fail to send the report within 8 weeks then the thesis will be rejected along with the rejection of registration of the candidate.

20.13 In case, the second External Examiners does not recommend award of the degree, the thesis will be rejected along with the rejection of registration of the candidate.

20.14 If a scholar fails to defend his/her thesis in the oral examination in the second attempt, his/her registration shall stand cancelled.

21. Key Milestones for MS/M.Phil

- A minimum of 24 CH course work with minimum CGPA of 2.5
- Successful defense of synopsis/research proposal and its approval by AS&RB
- A minimum of 6 CH research work / thesis / Course work as per program requirement
- Thesis defense and viva

22. Progress

After the completion of course work and assigning research supervisor(s), the student has to maintain progress consistent with the timeframe approved in the research proposal. The progress shall be monitored and documented by the principal supervisor and graduate program coordinator of the relevant faculty and shall subsequently be communicated to the Directorate of Academics under intimation to the chairperson and faculty Dean.

23. Progress Reports

23.1 A progress report shall be completed and submitted by the end of spring and fall semesters.

23.2 The student is required to indicate the work carried out during the previous six months or from commencement.

23.3 The progress shall include:

- stages of the research work completed,
- goals met over the previous six months and goals set for the next six months,
- problems experienced and the level of satisfaction with the supervisory

relationship.

23.4 The student shall submit the progress report to the principal supervisor who shall make recommendations on it. The report shall be forwarded to the Directorate of Academic by the principal supervisor through the relevant faculty dean/ chairperson/ graduate program coordinator.

24. Leave of Absence

For any unforeseen reason, when a student cannot continue with his/her studies for a short period of time, the student may seek an official leave of absence. During an approved leave of absence, the student shall not pursue the studies or consume any University resources in terms of supervision and other support services. A student is not allowed to avail the semester break during his research work/ thesis; however, the student during research work and after completion of course work is entitled to four weeks annual leave (with the prior approval from principalsupervisor).

Request for leave specifying the reasons, shall be made on the appropriate form. The leave beyond four weeks shall be determined by the Advance Studies and Research Board (AS&RB) on recommendation of the principal supervisor. The decision with respect to an application for leave shall be notified by the Directorate of Academics.

25. Thesis Evaluation

Once a student has submitted thesis it shall be sent to the examiner for evaluation. The principles governing examination at Directorate of Academics are:

25.1 The examination process shall be carried out to ensure that the student has satisfied Directorate of Academics regulations for the award of the degree.

25.2 The faculty Dean in consultation with the concerned chairperson and principal supervisor shall propose a panel of three examiners (other than UoT) to the Dean Graduate Studies for appointment of one examiner.

25.3 Examiners of theses shall be selected on the grounds of their academic and research competence in the areas of the submitted theses. They should be active in both research and scholarship.

25.4 The examiner shall not have a blood relation/ spouse, or co-authorship with the student to be examined.

25.5 The duration of examination process from the date of submission of thesis to its outcome shall not normally exceed three months.

25.6 The examination process shall be tracked by the Directorate of Academics. Students and supervisors shall be kept informed of progress at different stages of the process.

25.7 All the reports and results of an examination shall be communicated to the faculty graduate program coordinator by the Directorate of Academics.

The examiner shall evaluate the thesis, provide a written report and make one of the following recommendations:

- i) **Passed** without any amendments and the candidate may be awarded the degree (NA).
- ii) **Passed, subject to minor amendments (MA)** as indicated in report to the satisfaction of the concerned Principal Supervisor.
- iii) **Passed, subject to substantive amendments (SA)** along the lines as indicated in the report'. The DOA shall constitute a committee comprising of principal supervisor and one senior faculty member nominated by the faculty dean. The student shall submit a detailed report outlining the amendments to the satisfaction of the committee without further reference to the examiner.
- iv) The thesis may be **re-submitted (R)** to the examiner after completing the required extra work and revision indicated in the report.

26. Thesis Defense & VIVA

The Dean Graduate Studies in the light of examiner's report and consequent incorporation of the required amendments in the thesis shall announce a student eligible for defense and viva.

26.1 The following defense process shall be followed:

- The examiner who has evaluated the thesis shall be invited for the defense and viva.
- The date of defense shall be notified by the Dean Graduate Studies. The defense of thesis shall be open for all.

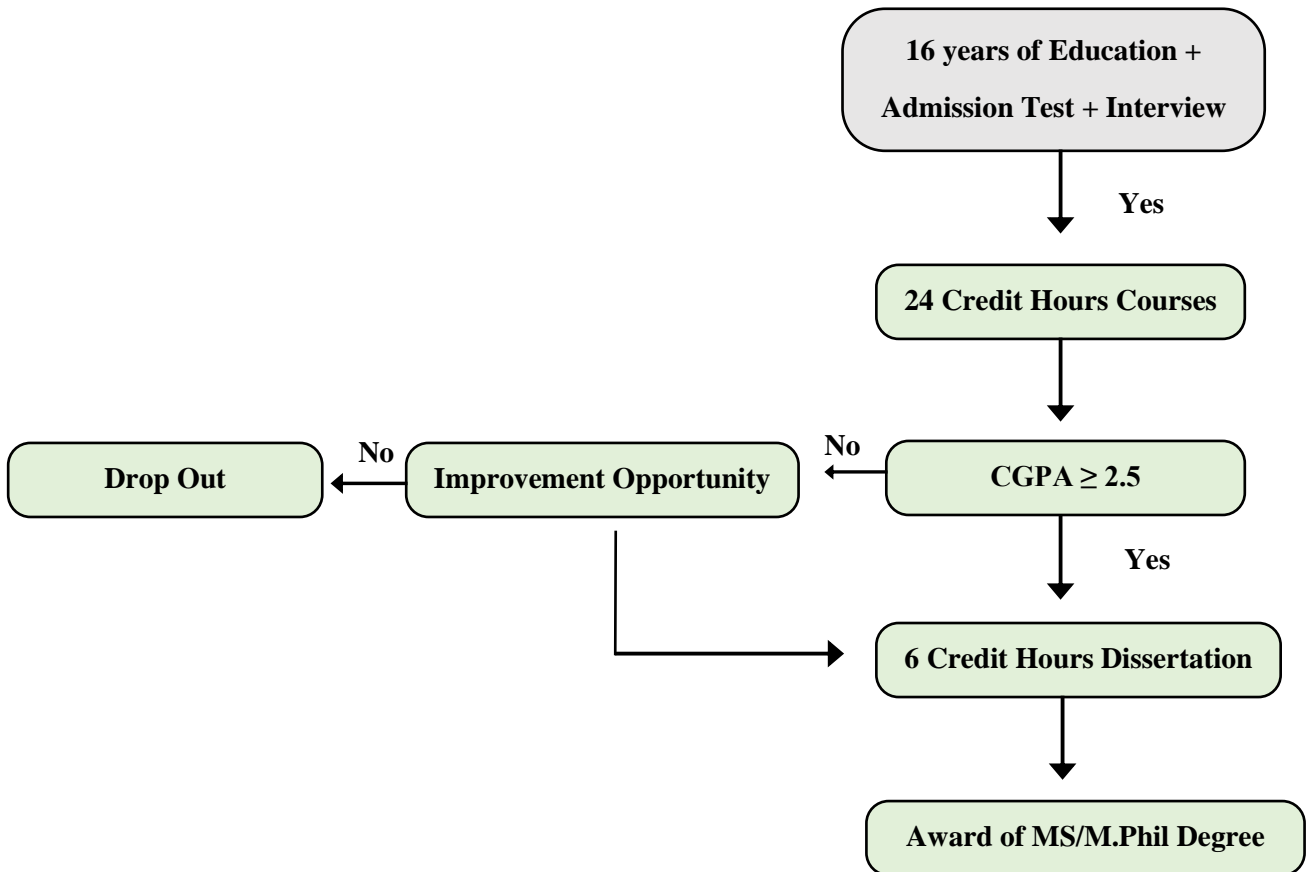

27. Award of MS/M.Phil Degree

27.1 A student shall be awarded MS/M.Phil degree subject to the fulfillment of key milestones mentioned in section 21.

27.2 The concerned chairperson and Dean through Directorate of Academics, on

the basis of examiner's report and fulfillment of all other conditions, shall advise the controller of examinations to process the case for the award of MS/M.Phil degree.

28. Study Flow of MS/M.Phil

29. PhD Program

Doctor of Philosophy (PhD) is the highest university degree that is awarded in most disciplines. Those who are qualified at this level are expected to serve highly consequential functions in society, including in the fields of teaching and research. With in-depth training and immersion in a particular field of study, which includes making an original contribution to the area of study through the PhD dissertation, those holding PhD degrees are expected to have an expertise in their area of study that they can utilize in teaching and research, as well as in problem solving and innovation for addressing important societal challenges. While other degree programs aim to teach students the things that we (academic community) know, the purpose of a PhD program is to enable students to investigate what we don't know.

The program focuses on two aspects:

- 29.1 Coursework, to provide grasp of research skills and knowledge in the field of study.
- 29.2 A closely supervised thesis.
- 29.3 The main objectives of PhD program are to enable the students to;
 - acquire competency as an independent researcher, able to plan and carry out research, and use and disseminate its outcomes and implications,
 - make original contribution to knowledge through research,
 - understand the uses of theory and of theoretical frameworks,
 - evaluate and apply the research of others to issues emerging in their research,
 - understand academic research as a form of professional practice,
 - demonstrate intellectual leadership.

30. Admission in PhD Program

30.1 Admission Criteria

The applicant must possess:

- 30.1.1 HEC recognized MS/M.Phil or equivalent from HEC recognized/DAI Degree with minimum of 30 credit hours (24 credit hour graduate level courses + 6 credit hours thesis) in the relevant field with 1st Division or equivalent grade or CGPA 3 out of 4.
- 30.1.2 GRE (International) /GAT subject test with 60 % marks. The University may arrange a subject test after fulfilling all conditions required by the Higher

Education Commission. In departmental admission test a student must secure 70% marks.

30.2 Course Work

- 30.2.1 The student shall have to complete minimum of 18 CH course work.
- 30.2.2 The principal supervisor may recommend foundation non-credit courses, if required.
- 30.2.3 A student must have attended at least 75% of the classes held in a course in order to be allowed to sit in the final semester examination.
- 30.2.4 The student must complete prescribed course work with CGPA ≥ 3.0 .
- 30.2.5 Any student, who gets CGPA < 3.0 , shall have to improve CGPA up to ≥ 3.0 before Doctoral Qualifying Examination (DQE).
- 30.2.6 Failing to improve CGPA up to ≥ 3.0 , the student shall do a minimum of 6 CH thesis to qualify for MS/M.Phil degree provided that CGPA is ≥ 2.5 .

31. Probation/Cancellation of Admission

- 31.1 Whenever any student's CGPA falls between 2.0 and 3.0 he / she shall be placed on probation for the next semester.
- 31.2 If the student fails to raise CGPA to 3.0 or above on availing the probation period, he / she shall be dropped from the university rolls.
- 31.3 The student eligible to continue the study program and having failed in the course(s) shall repeat the course(s) whenever such course(s) shall be offered by the Faculty provided the contents of the course(s) remain unchanged.
- 31.4 A student can improve at the most two courses during the entire degree program.
- 31.5 A consecutive willful absence of two weeks during course work and accumulative 60 days absence during research work on part of the student may culminate in cancellation of admission upon approval from AS&RB. Such cases shall be forwarded by the chairperson/supervisor through Dean of the faculty.

32. Appointment of Supervisor/Co-Supervisor (s)

A student may choose a principal supervisor from within the department subject to the willingness of the supervisor and area of specialization. In case student is unable to find a suitable supervisor, the Faculty Graduate Research Committee shall assign the principal

supervisor. The supervisor once assigned, shall recommend co- supervisor(s) for the student.

The appointment of principal supervisor and co-supervisor(s) shall be processed through Graduate Research Committee to Dean graduate studies for approval by Advanced Studies & Research Board (AS&RB).

33. Alternative Supervision

In case the principal supervisor leaves the university, the student may be provided with alternate supervision. The Chairperson in consultation with the Dean shall place the matter in the departmental/faculty Graduate Research Committee. The graduate research committee shall recommend alternate supervision (principal supervisor) for the student.

The leaving principal supervisor, however, may act as co-supervisor till the completion of the degree of the concerned student.

34. Doctoral Qualifying Examination (DQE)

34.1 After obtaining provisional transcript from the office of the Controller of Examinations (CoE) and with the completion of the requirements of the course work, the Dean graduate studies shall announce the candidate eligible for Doctoral Qualifying Examination (DQE).

34.2 The faculty Dean in consultation with concerned chairperson and principal supervisor shall nominate a panel of two experts (with PhD qualification) from within faculty.

34.3 The panel of experts along with the supervisor (s), Dean and chairperson of the department shall be responsible for paper setting, pattern, schedule and conduct of DQE.

34.4 The result of DQE on qualified/Not qualified basis shall be placed before the Dean Graduate Studies for approval and notification by the Controller of Examinations.

34.5 The result of DQE shall be confirmed by Advanced Studies and Research Board (AS&RB).

34.6 After success in DQE the student shall defend research synopsis / proposal.

34.7 In case a student is unable to qualify the DQE, the candidate may be allowed to re-appear for the last chance.

35. Program Duration and Extension

The minimum duration for completion of PhD program is 3 years. A candidate shall be allowed to submit thesis after completion of three years from the date of enrollment. The maximum duration for completion of degree shall be 8 years. Extension for a specific period in case of PhD program, after 5 years will be granted on full justification to those students who maintain their status active and are not absconders. Further, if the extension is fully justified should be 5+2 and in case of extremely justified cases 5+2+1. Extension mechanism shall be through proper channel, it shall begin by applying to department and obtaining the approval of supervisor and placed in GRC. The recommendations shall be forwarded to ASRB through Dean Academics.

36. Synopsis/Research Proposal Seminar Presentation

A student has to defend his/her research proposal/synopsis in a seminar at the respective department/faculty in the presence of Graduate Research Committee. Its recommendation shall be forwarded to AS&RB through Directorate of Academics for consideration. In addition to the proposal defense, a student has to present a progress seminar in the presence of Graduate Research Committee.

37. Research Proposal

The research proposal will provide a justification for the proposed research. The justification should demonstrate that the student is familiar with the key literature in the area and that the candidate can critically evaluate it and use it to build an argument to justify the research question. In addition, the proposal should demonstrate that the student has the methodological knowledge and skills to carry out the research.

38. Confirmation of PhD Candidature

Formally each research student is admitted under probation and becomes a confirmed candidate only when the following conditions have been met:

- 38.1 Completion of course works with CGPA \geq 3.00
- 38.2 Success in Doctorate Qualifying Examination
- 38.3 Approval of the research proposal/synopsis by AS&RB.

39. Semester Freeze

- 39.1 A student shall be allowed to apply for semester freeze of at the most one

semester during his / her entire program of studies.

39.2 The case for freeze of the semester and resumption thereafter shall be placed before the Dean Graduate Studies by the chairperson of the respective department through the Dean of the faculty.

39.3 A student already registered shall not pay the registration / admission fee in order to resume the studies. However, the student has to complete the degree requirements within maximum duration of the program from the date of his/her enrolment (excluding the period of semester being deferred).

40. Course Limit

A student shall be allowed to enroll for a maximum of 9 credit hour course work in one semester.

41. Credit Hours

41.1 A student must complete a minimum of 18 CH Course work prescribed by the department for the PhD degree with CGPA ≥ 3.0 .

41.2 Any student who obtains CGPA < 3.0 shall be given one chance for each subject (with C/D grades) to Improve CGPA to ≥ 3.0 .

42. Progress

After the completion of course work and assigning research supervisor(s), the student has to maintain progress consistent with the timeframe approved in the research proposal. The progress shall be monitored and documented by the principal supervisor and graduate program coordinator of the relevant faculty and shall subsequently be communicated to the Directorate of Academics under intimation to the chairperson and faculty dean.

43. Progress Reports

43.1 The bi-annual progress report shall be completed by the end of spring and fall semesters. The student is required to indicate the work carried out during the previous six months or from commencement. The progress shall include:

- stages of the research work completed,
- goals met over the previous six months and goals set for the next six months,
- problems experienced and the level of satisfaction with the supervisory relationship.

43.2 The student shall submit the progress report to the principal supervisor who shall make recommendations on it. The report shall be forwarded to the Directorate of Academics by the principal supervisor through the relevant faculty dean/ chairperson/ graduate program coordinator.

44. Leave of Absence

For any unforeseen reason, when a student cannot continue with his/her studies for a short period of time, the candidate may seek an official leave of absence. During an approved leave of absence, the candidate shall not pursue the studies or consume any University resources in terms of supervision and other support services. A student is not allowed to avail the semester break during his research work/ thesis; however, the student during research work and after completion of course work is entitled to four weeks annual leave (with the prior approval from principal supervisor). Request for leave specifying the reasons, shall be made on the appropriate form. The leave beyond four weeks shall be determined by the Advance Studies and Research Board (AS&RB) on recommendation of the principal supervisor. The decision with respect to an application for leave shall be notified by the Directorate of Academics.

45. Examination

Once a student has submitted thesis it shall be sent to the examiners for evaluation.

The principles governing examination at Directorate of Academics are:

- 45.1 The examination process shall be carried out to ensure that the student has satisfied the Directorate of Academics regulations for the award of the degree.
- 45.2 The faculty Dean in consultation with the concerned chairperson and principal supervisor shall propose a panel of seven examiners (four examiners from HEC approved list of technologically/academically advanced countries for evaluation of Thesis is provided in Annex and three from within Pakistan) to the Graduate Studies Office for seeking of appointment of three examiners (two foreign and one from Pakistan) by the Vice Chancellor.
- 45.3 Examiners for thesis shall be selected on the grounds of their academic and research competence in the area of the submitted thesis. They should be active in both research and scholarship.
- 45.4 The examiner shall not have a blood relation/ spouse, or co-authorship with the student to be examined.
- 45.5 The duration of examination process from the date of submission of thesis to its

outcome shall not normally exceed six months

45.6 The examination process shall be tracked by the Directorate of Academics. Students and supervisors shall be kept informed of progress at different stages of the process.

45.7 A plagiarism test in accordance with the University's Plagiarism Policy/HEC's Plagiarism Policy must be conducted on the thesis before its submission to the external examiners.

46. Examiners' Reports

The reports received in sealed covers from the examiners shall be placed before the Advance Studies and Research Board (AS&RB) by the Dean Graduate Studies.

If two examiners from technologically/academically advanced countries recommend thesis of the candidate for the award of PhD degree, the AS&RB shall advise Dean Graduate Studies for conduct of public defense.

Each examiner shall examine the thesis, provide written report on prescribed proforma, and make one of the following recommendations:

- i. Passed** without any amendments and the candidate may be awarded the degree (NA)*.
- ii. Passed, subject to minor amendments** as indicated in report to the satisfaction of the concerned Principal Supervisor (MA)*.
- iii. Passed, subject to substantive amendments** along the lines as indicated in the report'. The DA Office shall constitute a committee comprising of principal supervisor and one senior faculty member nominated by the faculty dean. The student shall submit a detailed report outlining the amendments to the satisfaction of the committee without further reference to the examiner.
- iv.** The thesis may be **re-submitted** to the examiner after completing the required extra work and revision indicated in the report (R)*.
- v. Not recommended** for the awarded the degree of Doctor of Philosophy however the candidate may be considered for award of MS or equivalent degree
- vi. Failed** and not recommended for awarded of Doctor of Philosophy degree.

47. Thesis Public Defense & VIVA

The Dean Graduate Studies in the light of examiners' report and consequent incorporation of the required amendments in the thesis shall announce a student eligible for defense and viva. The following defense process shall be followed:

47.1 The examiner (from within Pakistan) who has evaluated the thesis shall be invited for the public defense and viva.

47.2 In case the examiner (from within Pakistan) is not available, the alternate from the panel of internal examiners shall be invited for the public defense and viva after seeking approval from the Vice Chancellor through Dean Graduate Studies.

47.3 The date of open defense of PhD candidate shall be notified by the Dean Graduate Studies. The defense of thesis shall be open for all interested persons.
